Please check here if you would like your information (name, street address, email address and phone number (optional)) to be included in the Olde Gold Cup Directory. This directory is not maintained by ARMI and is made possible by a homeowner volunteer. The sole purpose of the directory is to share unofficial information regarding upcoming meetings, social/upcoming events, neighborhood watch/crime alerts, lost/found, and items of interest to the community. Also to be able to get emergency information out to our homeowners/tenants such as a lost pet or a lost child as quickly and cost effectively as possible. The directory will not to be used for any other purposes. Your support is greatly appreciated!
