Crews will go to both sides of Town during this week to get any remaining leaves that may have been missed or that have fallen after a scheduled weekly pickup.

Please do not place leaves in front of or into storm drains & do not put limbs/brush in leaf piles as this may cause damage to our machinery. On streets without curb and gutter, residents should place leaves as close as possible to the property line. Inclement weather (heavy rains or snow) or a heavy fall of leaves may extend the collection period for the affected sides of Town. **The last day of bulk leaf pickup will be Friday, December 30, 2022, after which leaves must be bagged and set out with your trash.**
